Call for Nominations for 2027-2029 Officers

NEAHP is looking for your help in identifying *our most dynamic and committed* members to serve as Officers for the 2027-2029 term. If you – or someone you know – have *a real vision for NEAHP's future*, please nominate them for any of the following positions:

- President-Elect
- Secretary/Vice President for Communications
- Vice President for Education
- Treasurer/Vice President for Finance
- Vice President for Membership

Board Officers and members ***serve a two-year term***. Officers will recruit all other board positions for 2027-2029. We would like recommendations for those positions as well. Feel free to nominate yourself!

The Nominating Committee will review nominations and recommend Officers for the upcoming term. The slate will be sent to members early in 2027 to be followed by a membership vote at the NEAHP Annual Educational Conference, March 1-3, 2027.

Please note that Wendy Lux was elected President-Elect in 2025 and will be presented on the slate as President for 2027-2029.

We look forward to hearing from you!
